Goshen Community Care & Hospice

An organization is only as great as the individuals who give their time and energy to make it special.

We are blessed at GCC&H to have wonderful volunteers who make our organization what it is.

Thank you to all those who have offered their time and energy now and in the past!

A Tribute to Our Volunteer

Jan Riley

Jan Riley is a familiar face at our Senior Socials that are held every Tuesday from 12:30 to 3:30pm. She began volunteering at Senior socials in 2006-2007 at the suggestion of her sister, Pat who also volunteered. The Senior Socials, at that time, were held at Camp Coch. Since then, Jan has volunteered at the Senior Social once or twice a month setting up tables and supplies that will be used, making coffee, and always providing a home-baked item or two. She enjoys the camaraderie among the seniors, the acceptance of each other into different groups, but says the best part is listening to the seniors' sense of humor and listening to their laughter and their stories. She noted that the gathering of seniors at the Senior Social often provides a source of solace to those who have experienced losses or personal health issues. Jan adds that she always gains a tidbit of information from each monthly educational program that is offered at the monthly lunch program. Jan enjoys baking for the seniors, and found that their favorite seems to be “gooey” chocolate cake.
